Our new *CABLEMATE*[®] – always there when you need it.

A real mate is someone to rely on when times are tough. So is our new compact *CABLEMATE*[®]. Only 80 cm high when folded, but strong as few when you need a helping hand with a 500 metre reel of flats or orange circulars. Not only does it save your back – it also makes your everyday work more simple, comfortable and installations faster. What more can you ask from a real workmate?

CABLEMATE[®]

Our latest innovation in tools for the tradie: a 2 in 1 frame that enables cable transportation and installation. It's a trolley which also converts into a pay-off stand, so you only need to carry one tool for the job.

CABLEMATE[®] was developed with your safety in our mind, reducing the risk of back strains when pushing heavy reels. The user-friendly features allow easy portability of 500 metre plastic reels of building wire cable as well as easy cable pay off, saving you time during installation.

CABLEMATE[®] is foldable and light, easy to store at the back of your UTE or in your store. It will definitely be your new best friend!

- Adjustable handle
- Very stable
- User-friendly
- Easy to change reel
- Foldable
- 500 metre reels mean less wastage

CABLEMATE[®] is versatile, it also works as a pay-off stand.
